### WHY CHOOSE CAYUSE?

Cayuse provides SMBs with cost-effective, onshore and low-cost geography solutions that eliminate the need for higher paid executives to spend time on back-office or IT tasks.

### LET'S GROW TOGETHER

We are more than a staffing provider - we are your strategic partner. With our comprehensive, flexible, and customized solutions, we empower your business to navigate the complexities of IT and back-office operations efficiently and effectively, reducing overhead costs and saving you time and resources.

### ABOUT US

Cayuse is a 100% Native American-owned company. As a certified diversity provider, we offer companies the opportunity to support Native Americans and Native Hawaiians while receiving world-class services at a competitive price.

"Working with Cayuse techs, they have been knowledgeable, informative, responsive, and very helpful."

"They have improved our office document management and time management. Our office has experienced improved productivity and performance. I am very pleased working with Cayuse, I look forward to a longstanding professional relationship with them."
